* Three of the four exams will count toward final grades for a total of 300 points (30% of the cumulative course grade). If a student misses an exam, that will be the exam grade dropped.

+ Class activities (CA) will count toward final grades for a total of 150 points (15% of the cumulative course grade). These are activities that will be completed during or at the conclusion of class including group discussions and activities, reading quizzes, note checks, exit tickets, etc. If a student misses class, they cannot typically earn class activity points for the session missed. Class activities listed on this schedule might be omitted, modified, or switched out with another activity.
